## Innovation, Luxury and Performance

The Aventura 34 is the “Angel” Catamaran mighty powers within the Aventura Collection.

From it's initial design, this special 34 footer Catamaran has been created by

it's family owners , Eric and Romain Roger, and counter signed by the world known

Naval and Interior Architect Samer Lasta from LASTA DESIGN. The Aventura 34 distinguishes

Itself with an intelligent bow design, giving an easy circulation around the boat at all times,

and yet allowing an enormous living indoor and outdoor space on the entire boat, which makes

this 34 footer as unique as it gets.

the A34 lines are resolute and fluid, odomed with huge windows an out of ordinary lighting

troughout the entire boat, and important as well in all cabins. The cabin's interior are luxurious and

Spacious, giving the owner of the boat a great living space, and a great comfort, inside and out.

## Elegance and Comfort

The interior design has been specifically taken care of by LASTA DESIGN, as they had the navigation and the comfort in mind. Unlike other 34 sized Catamaran, every thing seems tight and small. Well be prepared to be surprised, as in the 34 Aventura all is big, spacious, practical, and most of all really luxurious and comfortable. With warm tones , real woods, high end hardware and finishes, the Aventura 34 is adorned by true European interiors and Valuable equipments that will make your stay at sea a real breeze . Aventura 34 is the mighty answer to all the Catamaran builder out there, to be aware that a new breed of Catamaran was born by the AVENTURA Collection. Your ideal companion for your future Cruises at sea.
